

Drill Grinder

GQ-D13 1ph 0314-0020

The handy drill bit grinding device by quantum.
For easy sharpening of twist drill bits from Ø 3 mm to Ø 13 mm

Facts that impress in terms of quality, performance and price

Features:

- Easy to operate for inexpensive grinding of twist drill bits with two cutting edges
- Drill bit grinding without prior experience - clean, fast and precise
- Easy to transport
- Easy replacement of the grinding disc
- Positively-driven sharpening action, thus easy to operate
- Automatic grinding of the tip geometry thanks to cam
- Robust plastic housing with anti-slip base
- Diamond grinding stone with long service life for the perfect grind

Three steps to a ground drill bit

Adjust the drill bit

Twist drills are aligned in projection length and at the correct angle

Sharpening the drill bit

Through slight rotation from stop to stop

Tipping the drill bit

Again through slight rotation from stop to stop

Specification	GQ D13
Electrical connection	230V/1ph - 50Hz
Motor power	80 W
Speed variable (RPM)	4200
Grinding Wheel	78 mm
Grinding capacity drill	3 - 13 mm
Dims (LxWxH cm)	22 x 20 x 16
Weight	2.5 Kg

Included as standard:

- Diamond Grinding Disc
- Collet Chuck Holder

Optional Attachments:

Replacement grinding disc 0314-0021
Crystalline cubic boron nitride
Grain size: 170 - 200
Applications: High-speed steel (HSS)
